Step 1

Preparation

Feel like a giant by getting the kids to create their very own Miniature Garden.

Our Step-by-Step is as easy as 1 ... 2 ... 3!

What You Need:

- Shady 1m x 1m spot in the garden
- Rocks and sticks
- Shade-loving plants – Check what your nearest accredited garden centre has available
- Garden moss
- Compost
- Spade
- Scissors
- Watering can
- Plastic toy animals or dolls

Step 2

"How to"

1. Pick a shady spot in the garden. Roughly 1m squared.
2. Time to get your hands dirty!
Get the kids to dig up the soil and mix in some compost.
3. Let the inner Landscaper shine!
Plan your garden before you start digging. Position your plants with the tallest ones towards the back.

Step 3

"How to"

4. Dig the holes for your shade loving plants and place them into the holes. (Don't forget to remove the plastic planter bags)

5. Moisten the garden moss and spread it around your miniature garden in between all your plants.

Step 4

"How to"

6. Water your miniature garden with a watering can.

7. Mark the edges of your garden with a tiny wall made of rocks and sticks.

You can even use stones to make paths.
