# PEACE LILY

## SPATHIPHYLLUM

Peace lilies are a decorator's dream! They'll reward you with beautiful year-round flowers and foliage

It is one of the best plants for improving air quality indoors

Place your peace lily in an area with some light, but without direct sun

Keep soil evenly moist and use a pot with a drainage hole to prevent soggy soil, which can cause root rot

Feed monthly in spring and summer with a balanced liquid fertiliser, diluted by half
